

Your Disability Claim

Concordia Disability and Survivor Plan

You are unable to work due to a disabling illness or injury.

Contact Concordia Plans to begin the claims process.

Your claim approval.

Lincoln Financial Group will review your case and make a determination.

Benefits begin.

You will receive weekly benefits of approximately 70% of your salary if your disability is medically supported.

Disability ends.

It is determined that you are no longer disabled.

A Disability Representative will help you.

Information will be collected and sent to Lincoln Financial Group, our service provider.

Your claim is reviewed.

Lincoln Financial Group will continue to review and monitor your claim.

Follow your doctors' advice.

You must comply with treatment and rehabilitation plans.

You return to work.

Disability representatives are able to answer your questions and help you, or your designated representative, through the disability application process. Call our office at 888-927-7526 to speak to a representative.

This is only a brief summary of the CDSP claims process. More detailed information about the Plan is available through ConcordiaPlans.org.
