

Are you eligible for a health savings account?

You're eligible to contribute to an HSA if you meet all the following qualifications:

You must be covered under a qualified high deductible health plan on the first day of any month for which eligibility is claimed. *Note: CHP options that fit this description are Option HDHP, Whole Health 2000 and those with "HSA" in the option name.*

You are not covered under any health plan that is not a qualified HDHP, including a medical flexible spending account.

You are not enrolled in Medicare.

You are not claimed as a dependent on another individual's tax return.
