Did you receive a Paycheck Protection Program Loan?

YES

Visit our companion document to help you determine next steps.

NO

Did you apply for the loan and were denied?

YES

Your ministry can defer a portion of Social Security tax from March 27, 2020 through December 31, 2020. For more information click here. Note that this amount must be repaid in the following two years.

Apply for an Economic Injury Disaster Loan and grant. You could receive $10,000 distributed in three days as a grant, and the rest will be treated as a loan. For more information click here.

Were operations suspended due to government order or did you experience significant decline (more than 50%) in gross receipts when compared to the same calendar quarter in 2019?

If so, an Employee Retention Credit is available. For more information click here.

NO

Encourage members of your congregation to make additional charitable contributions. For more information click here.

Apply for the PPP loan. For more information click here.

Consult this document if your ministry has not received a Paycheck Protection Program loan. This document details additional options your ministry can consider made available through legislation.
