

# Coverage continuation when you leave

Life insurance continuation options can be confusing. Here's a brief overview of what's available to you.

## Portability and conversion

### Can I continue my coverage?

If you are no longer eligible for group life insurance due to the voluntary or involuntary termination of employment (including retirement), you may be eligible to continue your life insurance coverage without providing proof of good health.

Elections must be made within 60 days from your last day of coverage. In no event will the election period extend beyond 150 days from the date coverage ended.

## Take your coverage with you

	Portability	Conversion

\*Dependent coverage may only be ported if the employee elects to port their own coverage. Some group plans do not offer dependent coverage.

This is a general summary of portability and conversion provisions. For your eligibility and specific program details, please see your certificate of insurance.
