

## Worker Status Verification for Workers on Disability

It is the responsibility of the Employer to notify Concordia Plan Services (CPS) when a disabled worker **returns to partial or full-time** employment after receiving disability benefits under the Concordia Disability and Survivor Plan (the Plan). Verification of a worker's status must be submitted to CPS as often as needed to ensure all worker information remains current. Your cooperation in providing the requested information is essential to:

- maintaining the worker's Concordia Plan eligibility
- calculating the worker's disability income benefits accurately
- preparing accurate employer invoices

**Note:** If a disabled worker's change in status is a result of their disability claim being closed, this form must be received by CPS no later than 30 days after the date of notification from third party administrator; otherwise the Concordia Plan benefits will be terminated retroactive to the end of the month in which we receive notification of the closure.
