Important Questions	Answers	Why This Matters:
What is the overall deductible?	In-network: \$1,200/individual or \$2,400/family Out-of-network: N/A	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. This <u>plan</u> has an embedded <u>deductible</u> . If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. Well-child care, prenatal care, Network Preventive care services, physician office visits, home health, and durable medical equipment are covered before you meet your deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	In-network: \$3,500/individual or \$7,000/family Out-of-network: N/A (medical, mental health and pharmacy)	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limits</u> has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, penalties and health care this plan doesn't cover. Plus, certain specialty pharmacy drugs are considered non-essential health benefits and fall outside the out-of-pocket limits. The cost of these drugs (though reimbursed by the manufacturer at no cost to you) won't be applied to your out-of-pocket maximums.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .

Will you pay less if you use a network provider?	Yes. See www.myCigna.com or call 1-866-302-7578 for a list of network providers .	This <u>plan</u> uses a <u>provider network</u> . Out-of-network services are not covered. Check with your <u>network provider</u> before you receive services so that they do not use an <u>out-of-network provider</u> for any services (such as lab work).
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
