

 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-888-927-7526. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary/> or call 1-888-927-7526 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	<p><b>In-network:</b> \$1,200/individual or \$2,400/family  <b>Out-of-network:</b> \$3,600/individual or \$7,200/family (medical and mental health combined)</p>	<p>Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. This <a href="#">plan</a> has an embedded <a href="#">deductible</a>. If you have other family members on the <a href="#">plan</a>, each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a>.</p>
Are there services covered before you meet your <a href="#">deductible</a> ?	<p>Yes. Well-child care, prenatal care and <a href="#">Network Preventive care</a> services are covered before you meet your <a href="#">deductible</a>.</p>	<p>This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a>. See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>.</p>
Are there other <a href="#">deductibles</a> for specific services?	<p>No.</p>	<p>You don't have to meet <a href="#">deductibles</a> for specific services.</p>
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	<p><b>In-network:</b> \$3,500/individual or \$7,000/family  <b>Out-of-network:</b> \$10,500/individual or \$21,000/family (medical, mental health and pharmacy)</p>	<p>The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a>, they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limits</a> has been met.</p>
What is not included in the <a href="#">out-of-pocket limit</a> ?	<p><a href="#">Premiums</a>, <a href="#">balance-billing</a> charges, penalties and health care this <a href="#">plan</a> doesn't cover. Certain specialty pharmacy drugs are considered non-essential health benefits and fall outside the <a href="#">out-of-pocket limits</a>. The cost of these drugs (if reimbursed by the manufacturer at no cost to you) won't be applied to your out-of-pocket maximums.</p>	<p>Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a>.</p>
Will you pay less if you use a <a href="#">network provider</a> ?	<p>Yes. See <a href="http://www.myCigna.com">www.myCigna.com</a> or call 1-866-302-7578 for a list of <a href="#">network providers</a>.</p>	<p>This <a href="#">plan</a> uses a <a href="#">provider network</a>. You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a>. You will pay the most if you use an <a href="#">out-of-network provider</a>, and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays (<a href="#">balance billing</a>). Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.</p>

Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .
