* The amount paid for in-network covered expenses counts towards in-network deductible and in-network out-of-pocket maximums. However, the amount paid for out-of-network covered expenses counts towards both in-network and out-of-network deductibles and out-of-pocket maximums.

**When a patient or physician requests a brand drug but an equivalent generic is available, the patient pays the brand cost share plus the cost difference between the brand and generic drugs up to the cost of the brand drug. The cost difference will not be applied to the deductible or out-of-pocket maximum.

The amount of any coupon, rebate or manufacturer's assistance will not count towards your coinsurance, copayment, deductible or out-of-pocket.

† Includes deductibles, copays and coinsurance costs for medical, mental health/substance abuse and prescription drug services.
